Sweden provides one of the best living standards in the world. Residents enjoy free education, subsidised health care, an extensive and smooth-running public transport system and access to the magnificent unspoilt countryside.
This county, with 1.3 million inhabitants, is part of one of Europe's most exciting and dynamic regions. Here you are close to everything from bustling city life to small picturesque towns and a captivating rural landscape. The region offers modern communications, a skilled workforce and acclaimed universities which create excellent living conditions.
The county is a self-governing administrative region governed by a Regional Council and employs about 32,000 staff members. The region provides an excellent work environment and the possibility to work with dedicated colleagues from many professions. Staff members at the region are offered competitive salaries and benefits as 5-6 weeks of annual vacation, flexible working hours and extensive possibilities to parental leave. As an employee at the region you are also eligible for an attractive occupational pension scheme - on top of the Swedish national retirement pension.
