

## **Anesthesiologist for Belgium**

On behalf of multiple clients, general hospitals in the French-speaking region of Belgium, we are seeking **allround anesthesiologists** (m/f) fluent in the French language.

The anesthesiologists run busy departments. The hospitals are looking for allround and up to date anesthesiologists. Good communicational skills are a requirement.

In addition to a pleasant and professional working environment, we offer you:

- A position suitable to your needs and profile
- A good and honest contract and max. income between €150.000 and €250.000 gross per year.
- Suitable housing for you and your family
- Handling of the required documents that allow you to work and stay in Belgium
- Opening a local bank account
- Advice on tax issues and insurance
- Handling of your registration as a medical doctor and/or specialist in Belgium

Objective information on living and working life in Belgium
