

Associate Dentist – Melksham

Permanent
Melksham, Wiltshire

This is a highly modern dental practice with spacious surgeries and all the latest technology including digital x-rays and SOE. As part of a dentist owned small group, every member of staff receives the highest level of support possible which is why this practice has a long standing team who have developed and grown in the ways they wanted to.

Job Information

The practice is looking for a full-time permanent dentist who will be taking over a very well established patient list that includes a mix of NHS and private.

Necessary Requirements

You will need to be GDC registered and have an NHS performer number without restrictions.

Hours and Salary

To ensure each member of staff is as comfortable as possible, the practice can offer £10 net per UDA (higher rate can be negotiated but experience dependent). Total contracted UDAs are discussed based on hours taken, however, as the main practice focus is on patient care, there is no UDA churning pressure.

Apply today to arrange a visit to the practice and meet the rest of the team.

To apply:

Please send your CV mentioning reference PDS-20 at info@phd-jobs.net
