

Associate Dentist – Portsmouth

Permanent
Hampshire, Portsmouth

This is a highly modern dental practice with spacious surgeries and all the latest technology from digital x-rays, rotary endo and intra-oral cameras. As part of a very small group, every member of staff receives the highest level of support possible which is why this practice has a long standing team who have developed and grown in the ways they wanted to.

Job Description

The practice is looking for a full-time permanent dentist although a long term locum may be considered. You will be taking over a very well established patient list that includes a mix of NHS and private. The practice also has good private potential for those looking to push that side of their list.

Necessary Requirements

You will need to be GDC registered and have an NHS performer number without restrictions.

Hours and Salary

To ensure each member of staff is as comfortable as possible, the practice can offer flexible hours and pay £11 to £12 net per UDA (experience dependent). Total contracted UDAs are discussed based on hours taken, however, as the main practice focus is on patient care, there is no UDA churning pressure.

Apply today to arrange a visit to the practice and meet the rest of the team.

Job Features

Job Category	Dentists
NHS Contract	Negotiable UDAs
Private	50% remuneration
