

Consultant in Anaesthetics / Anaesthesiology, Ireland

Location: Limerick

Salary: €235862 - €283318 p/a

We are currently seeking a Consultant Anaesthetist to join a high-performing and progressive acute hospital team in Ireland. This is an excellent opportunity to work in a busy Model 4 hospital, delivering high-quality perioperative care across a broad range of surgical specialities. The hospital is located only 20 minutes from the airport, with multiple direct flights daily to cities across the UK.

The successful candidate will play a key role in delivering a comprehensive anaesthetic service, covering both elective and emergency surgery, and will also contribute to critical care and perioperative medicine.

What's on Offer:

Competitive salary ranging from €235,862 to €283,318 per annual, based on a 37-hour working week (equivalent to approximately €11,000-€13,000 net per month), with on-call payments paid in addition

Additional earning potential of €30,000-€40,000+ per year through extra sessions and overtime

€12,000 annual allowance for professional development and educational leave

€8,000 innovation fund to support service development and research initiatives

Full support with registration through the Irish Medical Council

Comprehensive relocation package for you and your family

Requirements:

Specialist registration (or eligibility) with the Irish Medical Council in Anaesthesiology

Experience working at Consultant level

Broad exposure to general anaesthesia, with additional experience in subspecialty areas (e.g. ICU, obstetrics, pain medicine), is desirable

Strong commitment to patient safety, quality improvement, and teamwork

Excellent communication and leadership skills
