Key Requirements:

Specialist Registration with the Irish Medical Council

Excellent written and oral English skills essential

Irish or UK experience desired, not essential

About Cork:

Cork City sits on the River Lee and has been nicknamed by locals the 'Real Capital', it is a vibrant and welcoming city with live music and amazing food found on every street. Known as the food capital of Ireland, the first stop for any foodie is The English Market, where you can pick up fresh local produce and take in the mouth watering scent of fresh bread in the morning! Never too far from the coast, Cork offers some of the most beautiful views in Ireland.
