

Consultant Obstetrician, Dubai, the UAE

Salary: €16,500-€19,800 per month tax free

We are currently working with a leading private hospital group in Dubai on an exciting opportunity for a Consultant Obstetrician to join a modern, highly regarded hospital in the UAE.

This is an excellent opportunity for a Consultant who enjoys high-quality Obstetric practice in a well-supported environment and is interested in relocating to one of the world's most dynamic and international cities.

The Role:

Pure Obstetrics-focused Consultant role

Modern private hospital setting with excellent infrastructure and support
45-hour working week over 5 days

Collaborative multidisciplinary environment

Opportunity to build a busy private practice

Consultants will be expected to demonstrate strong Obstetric experience with an accompanying procedural logbook

We are specifically interested in speaking with Consultants who are happy to work primarily or exclusively in Obstetrics.

Package:

Tax-free salary equivalent to approximately €16,500-€19,800 per month

Additional commission on consultations, procedures, and surgeries performed

Strong earning potential in a busy private healthcare setting

Relocation support available

Hospital will apply and pay for your Dubai license once you accept the job offer

Family-friendly lifestyle with excellent international schools and amenities

Requirements:

Specialist/Consultant qualification in Obstetrics & Gynaecology recognised for UAE licensing

Strong recent Obstetrics experience

Procedural logbook demonstrating Obstetric competency

Excellent English communication skills

Western-trained or internationally recognised training backgrounds preferred

Why Dubai?

Dubai offers:

Tax-free income

Exceptional quality of life

Excellent international schools

Year-round sunshine

A large international medical community

Outstanding travel connections to Europe, Asia, Africa, and Australia
