

Consultant in Obstetrics & Gynaecology (Fetal Medicine), Dubai, the UAE

Location: Dubai, the United Arab Emirates

Salary: €16000 - €21000 per month + Tax free + Monthly Incentives

We are currently seeking a highly experienced Consultant in Obstetrics & Gynaecology with training in Fetal Medicine to join a leading private healthcare provider in Dubai.

This is an excellent opportunity to work within a state-of-the-art facility, delivering high-quality, patient-centred care in a multidisciplinary and international environment.

Key Responsibilities:

Provide expert care in Maternal-Fetal Medicine, including the management of high-risk pregnancies

Perform and interpret advanced fetal imaging and diagnostic procedures, including detailed anomaly scans

Conduct procedures such as amniocentesis, CVS, and other fetal interventions as required

Collaborate closely with neonatal, genetics, and other specialities to ensure optimal patient outcomes

Lead and contribute to antenatal clinics, including complex case management

Support and mentor junior medical staff and contribute to clinical governance and quality improvement initiatives

Requirements:

Recognised specialist qualification in Obstetrics & Gynaecology, with formal training in Fetal Medicine, obtained from training programmes in the UK, Ireland, USA, Canada, Australia, New Zealand or EU countries.

Completed training or fellowship in Fetal Medicine / Maternal-Fetal Medicine

Strong expertise in fetal ultrasound and invasive diagnostic procedures

Excellent communication skills in English (Arabic is an advantage but not essential)

What's on Offer:

Highly competitive tax-free salary package

Performance-related incentives

Opportunity to work in a modern, well-equipped hospital with a strong international reputation
