

Dental Surgeon, France

Saint-Dié-des-Vosges, Grand Est, Lorraine.

This general practice is available for sale, along with its equipment and patient base (€110,000 for the entire practice), with an option to purchase or rent the property. A transition period is to be negotiated with the current practitioner preparing for retirement. Expected salary (monthly): €5,000-10,000 net.

This general practice and implantology practice for sale includes two treatment rooms, one sterilisation room, one panoramic room, one waiting room with reception, restrooms, as well as one meeting room, one shower room, one kitchenette, one locker room, and one technical room in the basement. The premises measure 120 m². One salaried secretary/receptionist is available for sale. The practice currently operates under a joint-stock company (SCM) with another partner who will continue to practice. Possibility of having a third associate or employee dentist within the practice. The practice has parking, close to the city centre and a major commercial area.
