

Dentist with RIZIV / INAMI number to Belgium

It's crucial that the candidate already has a valid RIZIV or INAMI number to be able to work as a Dentist in Belgium.

They also need to be able and willing to commit to a 3 months intensive language course in the Netherlands learning the Dutch language up to B2 level.

The potential starting is set no later than the 1st of July.

Key characteristics are: Gentle, open, communicative, a team player (no loner), patient focused, friendly and approachable.

It's a very modern group practice just 20 km north-east of Antwerp. So commuting from Antwerp is a very good option.

This practice is looking for a full time (4-5 days per week) new colleague.

The profile they are looking for is a general dentist, a special interest in special interest in cosmetics or endodontics is welcome but **not** required.

It's a cooperation based on self-employment starting with 40%, this is about equal to an income of 7000€-9000€ gross per month.

The dentist will work with assistants at the chair, a full agenda from the start and an office manager who manages the office.
