

Family Medicine Specialist, Sweden

Are you a family medicine specialist looking for meaningful work in a calm, nature-rich environment with space to grow, both personally and professionally?

We are now looking for family medicine specialists (GP specialists) to join a welcoming and well-functioning primary care centre in one of Sweden's most naturally beautiful and peaceful regions. This is a full-time position offering structured daytime work and a strong team-based approach.

About the role:

As a family medicine specialist, you will work with patients of all ages, handling a wide range of clinical cases from assessment and diagnosis to treatment, follow-up, and rehabilitation. You will collaborate closely with nurses, psychologists, physiotherapists, and other team members to deliver high-quality, patient-centred care.

The role is based in a rural community near the Swedish-Norwegian border, known for its forests, lakes, and a strong sense of local belonging. With short commutes and access to year-round outdoor activities, this is an ideal setting for those seeking a slower pace of life without sacrificing professional standards.

You will experience:

- A collaborative work culture where all professional skills are respected
- A modern, evolving primary care system with digital tools and patient-focused services
- Regular opportunities for professional development and clinical training
- A safe and family-friendly community with strong public services
- Full focus on work-life balance

Requirements:

- Holds an EU-recognised specialist certification in family medicine/general practice
- Experience in broad general medicine and working across all age groups
- Strong communication and teamwork skills
- Good proficiency in English and motivation to learn Swedish (language training provided)
- Interest in contributing to clinical improvement and teamwork in a rural healthcare setting

Why Sweden?

Here, you will have the chance to live close to nature while enjoying the benefits of working in a well-organised healthcare system. You can spend your free time hiking in the woods, swimming in lakes, skiing in the winter, or simply enjoying peaceful days with your family. The community offers a safe, inclusive, and relaxed atmosphere – perfect for a fresh start.

What we offer:

- Ongoing support from a recruiter before, during, and after your employment
- Assistance with obtaining Swedish authorisation and approvals

Help with accommodation and relocation for you and your family
Access to a free Swedish language course with a private tutor via Teams/Skype
