

## **Gastroenterologist, Norway**

On behalf of the Central Norway Regional Health Authority we are seeking a gastroenterologist for a permanent position.

The hospital provides services in various fields, including emergency care, maternity ward, medical and surgical clinics, as well as psychiatry. The hospital is located in a picturesque town that offers a unique blend of natural beauty and cultural richness. The area is a haven for outdoor enthusiasts, both summer and winter.

The main responsibilities will include the diagnosis and treatment of patients with diseases in the gastrointestinal tract. The position can be partially conducted virtually if desired.

### ***Qualifications:***

European authorisation as a medical professional.

Specialist in diseases of the digestive system.

Competent in general internal medicine for on-call duties.

Proficient in gastroscopy and colonoscopy.

Experience in outpatient follow-up of gastroenterological patients.

Communication skills in one of the Scandinavian languages. Free language course will be offered to foreign candidates.

### ***Personal qualities:***

Independent and organised with good work capacity.

Positive attitude contributing to a good working environment.

Effective communication with both colleagues and patients.

Professional and updated in the field.

### ***Why apply for this position:***

Warm welcome in a pleasant working environment.

Excellent opportunities for professional and personal development.

Strong collaboration between departments at the hospital.

Attractive pension, loan, and insurance conditions.

Close support from our advisor throughout the recruitment process.

If necessary, we offer help with Norwegian authorisation and specialist approval.

Assistance with accommodation and travel, your family will also be taken care of in the process, if necessary.

Free language school done through Teams/Skype.
