

General Dentist, The Netherlands

We are seeking an experienced dentist, for a modern and a bigger dental clinic in Gelderland, the Netherlands.

What are you going to do?

The clinic is regionally known about its ambiance and professional dental healthcare reputation. As a dentist, you will be responsible for a good dental healthcare of your patients and you are capable to develop yourself, as well professional as personal.

This is you:

You have completed your studies of dentistry

You have at least 3 years of working experience

Your attitude is professional

You are willing to learn and develop yourself

You want to commit to the organisation for a longer period of time

Reasons for choosing this job:

Salary: EUR 4'500 - 6'500 gross per month.

For more experienced dentists salary levels would be higher.

30% tax benefit for a period of 5 year

At least 20 days of paid holiday

Possibility to obtain your BIG registration

Flexible working hours

Good work/life balance

Development opportunities

Great working atmosphere and a nice team!

Candidates:

Dream to live and work in another country

Have an EU/EEA nationality

Hold an EU/EEA degree in dentistry

Master English (or French) in a full professional proficiency level

Eager to learn Dutch through an exclusive Language Academy

Are willing to relocate to the Netherlands in a near future

Apply and:

Find your dream job abroad

Learn Dutch through a method focused on language learning for high skilled healthcare professionals

Have certainty of a worry-free process

Get help finding your future home

All documents and bureaucratic formalities such as diploma recognition, banking, insurance, registrations, etc., will be taken care of
