

Geriatrician, France

For our clients, public hospitals in the Grand Est region, near Strasbourg, we are seeking two geriatricians.

Requirements & Expectations:

Be a European Union national.

Hold a medical degree and specialty degree from a European Union university.

Speak French at a level that allows for at least good communication with patients (level B2). No language diploma will be required, but a mandatory interview will be held.

Not have been subject to serious criminal or professional sanctions.

Be already registered with the French Medical Association in France or in another European Union/European Economic Area country, or eligible to register with the French Medical Association.

Be motivated to settle permanently in France and practice their profession with professional conscientiousness, while respecting the Code of Ethics of the French Medical Association.

Please send your CV, quoting reference code AF-16, to info@phd-jobs.net
