Intensive Care Nurse (ICU Nurse), Sweden

We are recruiting Intensive Care Nurses for a modern acute care hospital in Central Sweden. This is an opportunity to work with advanced intensive care in a supportive environment where teamwork, professional development, and patient care are at the center.

What we offer:
Advanced intensive care nursing with a broad range of patient cases
Close collaboration with physicians, nurses, and assistant nurses
Individualized onboarding based on your experience
Opportunities for continuous professional development
Modern healthcare facilities

Life in Sweden:
Safe and family-friendly communities
Beautiful natural surroundings and outdoor activities year-round
Excellent work-life balance
High-quality healthcare and public services

Benefits:
Minimum 25 days of annual leave
Occupational pension and insurance benefits
Ongoing professional development opportunities

Requirements:
Registered Nurse with a specialization in Intensive Care Nursing, or a licensed Registered Nurse with at least three years of experience working in an Intensive Care Unit (ICU)
EU-recognized qualification
Good English communication skills
Motivation to learn Swedish

Relocation Support:
Free Swedish language training with a private tutor
Assistance with licensing and authorization
Relocation support for you and your family
Personal guidance throughout the entire process
A fully arranged visit to Sweden before making your final decision
