

## **Interventional Radiologist, Belgium**

A major private group in Belgium is seeking an interventional radiologist.

*Remuneration and benefits:* starting salary of 7'500€ net per month (to be discussed depending on candidate's profile and experience).

*Requirements and expectations:*

Be a citizen of the European Union (or a national of a country with which Belgium has an exchange agreement for workers).

Have a degree in general medicine and specialisation in radiology from a university in the European Union (unfortunately we cannot consider applications from medical interns).

Speak French at a level that allows at least good communication with patients (B2 level). No language diploma is required, but an interview is mandatory.

Not to have been subject to serious criminal or professional sanctions

Be motivated to come and settle permanently in Belgium and to practice his/her profession with professional conscience, while respecting the Code of Ethics of the Order of Physicians.
