Midwife, Sweden

We are currently recruiting Midwives to join the maternity and women's healthcare department at a modern regional hospital in central Sweden. This is an opportunity to work in a healthcare environment where patient safety, teamwork, and professional development are highly valued.

About the role:
As a Midwife, you will work at a well-established regional hospital together with obstetricians, pediatricians, nurses, and other healthcare professionals.

Your responsibilities may include:
Providing care during pregnancy, childbirth, and the postnatal period
Monitoring the health and wellbeing of both mother and newborn
Supporting women and families throughout the maternity journey
Providing patient education and counseling
Collaborating closely with multidisciplinary healthcare teams
Contributing to safe, evidence-based, and patient-centered care
Participating in the continuous development of maternity and women's healthcare services
The department is committed to delivering high-quality care while supporting professional growth and continuous learning.

Requirements:
Hold a valid Midwife license issued in an EU/EEA country
Minimum one year of documented experience as a Midwife
Good English language skills
Motivation to learn Swedish
Motivation to relocate and work in Sweden on a long-term basis
Meritorious
Experience in labour and delivery care
Experience working in a hospital-based maternity department
Knowledge of Swedish or another Scandinavian language

Why central Sweden?
Central Sweden offers an excellent quality of life with easy access to nature, family-friendly communities, and modern public services. The region combines the benefits of a safe and welcoming environment with good infrastructure, cultural activities, and outdoor recreation throughout the year.

Whether you enjoy hiking, lakes, forests, winter sports, or simply a balanced lifestyle, this area offers a unique opportunity to combine career development with a high quality of life.

We offer:
Ongoing support from a recruiter before, during, and after your employment
Assistance with obtaining Swedish authorization and approvals
Help with accommodation and relocation for you and your family
Access to a free Swedish language course with a private tutor via Teams/ Skype
