Nurse, Sweden

We’re seeking experienced general nurses to join healthcare teams across Northern Sweden – a region known for its stunning landscapes, tight-knit communities, and excellent working conditions.

Why Northern Sweden?
Northern Sweden offers more than just a job – it offers a lifestyle. Imagine finishing your shift and stepping out into fresh, clean air, surrounded by forests, lakes, and snow-capped mountains.

About the role:
As a general nurse, you will play a vital role in delivering compassionate, high-quality care in settings such as:
Regional hospitals, where teamwork and acute care go hand in hand
Health centers and outpatient clinics focused on continuity and community care
Administering treatments, supporting patient recovery, and contributing to care planning
Working alongside multidisciplinary teams to improve patient outcomes and innovate care delivery

What we’re looking for:
EU-recognised nursing license and degree
Proficiency in English and readiness to learn Swedish
A flexible, team-oriented approach and solid nursing experience
A genuine passion for patient-centered care

What you’ll get:
Career development in a forward-thinking healthcare environment
Work-life balance that supports your well-being
Support throughout the process – from licensing to relocation
Free personalised Swedish language training via Teams or Skype
Assistance with accommodation and family relocation, if needed

Curious about life in the North?
Let’s talk. We’re happy to tell you more about the region, the roles, and how we support you every step of the way. Apply today to stay in the loop about upcoming opportunities for nurses across Sweden.
