

Obstetrics and Gynecology Specialist, Sweden

Are you a dedicated OBGYN specialist looking to expand your horizons and work in one of Europe's most progressive healthcare systems? We are recruiting experienced specialists in obstetrics and gynecology for exciting long-term opportunities across Sweden.

We collaborate with public and private healthcare providers who are actively seeking skilled professionals to strengthen their teams. Whether your passion lies in maternity care, outpatient gynecology or surgical procedures, we will help match you with a position that fits your experience and ambitions.

Qualifications:

Specialist certification in obstetrics and gynecology, recognized within the EU

Solid clinical experience in both obstetric and gynecological care

Proficiency in English and motivation to learn Swedish (language course provided)

Key competencies:

Broad knowledge in diagnosing and treating a wide range of gynecological and obstetric conditions

A patient-centered mindset, with a focus on safety, empathy, and continuity of care

Strong interdisciplinary collaboration skills

Well-organized and able to manage electronic patient records efficiently

Flexible and adaptable to new work environments and healthcare systems

What we offer:

Continuous support from a dedicated recruiter throughout the entire process

Assistance with obtaining Swedish medical license and specialist approval

Relocation support for you and your family, including travel and housing arrangements

Free Swedish language course with a private tutor online

A broad network of healthcare partners, ensuring a match that suits both your personal and professional goals

Why work in Sweden?

Sweden offers excellent working conditions, high standards of medical care, generous vacation policies, and a strong focus on work-life balance. You'll be working in a healthcare system that values continuous learning, collaboration, and quality in patient care – all while enjoying the beauty of Scandinavian nature and society.
