

Oncologist, the Netherlands

Are you an internist-oncologist with excellent communication skills looking for a challenging and varied role? We are looking for you! We are seeking an all-round internist-oncologist for a prestigious hospital in Gelderland, situated in a beautiful area with various amenities and recreational opportunities.

What are you going to do?

You will be working in a prestigious hospital in Gelderland, where nearly 1200 employees and approximately 80 medical specialists combine daily modern diagnostics and treatments with a strong focus on patient care and quality awareness. The hospital provides a wide range of specialised medical care from its central location and affiliated outpatient clinics.

This is you

As a registered oncologist, you have completed the university program in Medicine and the specialisation course for oncology

You are a starter or have some work experience

You are able to work in a team

Your persuasiveness, reflective ability and professional leadership will help you to successfully fulfil your position as a specialist

You dare to think outside the box. But just as important is that you have a heart for the clients.

With your passion and expertise you make the difference

Your communication skills and positive attitude make you an excellent connector
