

Paediatrician, Norway

On behalf of a hospital in Møre og Romsdal in Western Norway, we are seeking a skilled paediatrician to join a professional team within a supportive and inclusive healthcare environment.

The paediatric department focuses on providing comprehensive care to both inpatients and outpatients, utilising modern facilities to promote professional growth and maintain high standards of patient care.

Qualifications:

Specialist in paediatrics with a medical license and specialist approval from an EU country.

Professionally updated with a commitment to continuous learning.

Proficient in English and motivated to learn Norwegian.

Clean criminal record, documented through a police certificate in accordance with the Health Personnel Act.

Personal qualities:

Strong collaboration skills and effective communication with children and parents.

Genuine interest in people.

Initiative and enthusiasm for embracing new challenges.

Structured and efficient work style, both independently and within a team.

Service-oriented and approachable demeanour.

Ability to inspire and engage others.

What the hospital offers:

The hospital offers a competitive salary alongside excellent welfare benefits, including group life and accident insurance. You will join a dedicated and passionate team committed to professional growth and continuous learning. The work environment is inclusive and welcoming, with regular opportunities for social interaction among colleagues.

Benefits:

Follow-up by an advisor before, during, and after employment

Assistance obtaining Norwegian authorisation and specialist approval if necessary

Help with accommodation and travel arrangements, including support for your family

Free language school with a private tutor online.

Location:

Nestled between majestic fjords and mountains, Møre og Romsdal offers a unique blend of natural beauty and cultural richness. The area provides excellent opportunities for outdoor activities such as hiking, skiing and fishing. The community is welcoming, with a strong emphasis on family and quality of life.
