Pathologist, Sweden

Are you a specialist in pathology looking for a new opportunity in an exciting and supportive environment? Whether you are considering working at a smaller hospital or a university hospital, we have various exciting vacant positions across Sweden!

We are currently seeking specialists in pathology for permanent positions across Sweden. Our extensive network of partners allows us to offer a wide range of opportunities, whether you are interested in working at a smaller local hospital or prefer to be part of a larger academic environment with substantial research opportunities.

As a specialist in pathology, you will play a crucial role in diagnostics and treatment, and your expertise will be invaluable to the hospitals we collaborate with. There are opportunities to work in general pathology or to further specialize in a specific area depending on your interests and experience.

We offer:
Ongoing support from a dedicated recruiter before, during, and after your employment.
Assistance with obtaining Swedish authorisation and specialist approvals, if required.
Help with accommodation and travel arrangements, including support for your family, if necessary.
Access to a free language course with a private tutor via Teams/Skype.

Qualifications:
EU-recognised specialist certification in pathology.
Good enough communication skills in English and a willingness to learn Swedish.
