

Psychiatrist, the Netherlands

In Zeeuws-Vlaanderen, we're seeking psychiatrists to lead integrated care for over 100,000 residents. Join a dynamic team of 3 psychiatrists collaborating with nurses, art therapists, and psychologists. where we value impact over mere benefits. Our focus is on ambulation, digitalisation, network collaboration, and Positive Health. Collaborative family involvement is key. Emphasising outpatient and transdiagnostic care with a focus on positive health, this role puts psychiatrists in a senior position for diagnostics, minimising medication prescriptions. Our culture thrives on active collaboration, harnessing the collective expertise of the entire team.

These are your qualities as a Psychiatrist:

You are a team player with a strong emphasis on empathy and communication.

You have an EU-recognised specialist degree in psychiatry.

You have a permanent EU/EEA citizenship.

You have upper-intermediate English level (B2)

You are willing to learn Dutch through a dedicated language academy with our assistance.

Reasons for choosing this job as a Psychiatrist:

Annual balance budget allocated for training, fostering continuous growth and learning.

Salary ranges from €6000 to €9500, based on a 36-hour workweek.

Enjoy a 30% tax discount, a remarkable financial benefit.

Immediate contract for an indefinite period, providing stability and security.

A year-end bonus of 8.33%, a token of appreciation for your dedicated service.

Generous provision of 25 paid holidays, ensuring a healthy work-life balance.
