

## **Psychiatrist, Norway**

We are currently looking for motivated psychiatrists with experience who are interested in moving to Norway.

### *Why work in Norway?*

The Norwegian healthcare system is known for high professional standards and a strong focus on patient care, allowing doctors ample time with each patient. Work-life balance is highly valued, and medical professionals enjoy excellent working conditions.

### *Requirements:*

European medical authorisation and specialist certification in psychiatry  
Ability to independently diagnose and treat a wide range of psychiatric conditions  
Strong teamwork skills, with a collaborative approach to multidisciplinary teams  
A structured and responsible mindset, ready to take on new challenges  
Willingness to complete a language course to obtain Norwegian medical authorisation  
Adaptability and resilience in the relocation process

### *What we offer:*

Professional recruitment guidance from experienced headhunters  
Collaboration with reliable local partners  
Free online language course  
Personalised support throughout the entire recruitment and relocation process  
Assistance with travel, housing, schools, kindergartens, and more  
A fair and flexible working agreement tailored to your needs

### *To Apply:*
