

## **Radiation Oncologist to Sweden**

A county council in Sweden offers employment for specialist doctors in Radiation Oncology, in different Hospitals in the county.

The County Council is responsible for public healthcare and it is the largest employer in the country. It has three hospitals: the largest unit covers most specialisations, the two other hospitals concentrate on planned treatment.

The natural environment is varied, from deep forests to long sandy beaches and a fantastic archipelago. There are rich cultural and leisure activities available with golf- courses, sports facilities, theatres, and museums of a high international standard.

### **The offer:**

- Permanent contract after six months
- Training courses within working hours
- Help to find: apartment, school and kindergarten
- Study tour to Sweden, after a first interview, to learn more about the region and the work environment
- Assistance with removal and relocation costs
- Swedish language course

### **Requirements:**

- Specialist exam as a radiotherapist / radiation oncologist
- Min. 2-3 years of relevant experience
