

Rehabilitation Medicine Specialist, Sweden

Are you a rehabilitation medicine specialist looking for a rewarding and development-oriented opportunity in Sweden?

Join a multidisciplinary rehabilitation department that combines inpatient care with specialized outpatient teams, all in a region known for its natural beauty and calm lifestyle.

About the role:

As a rehabilitation medicine specialist, you will be responsible for the medical coordination and overall rehabilitation plans for patients with neurological injuries, spinal cord injuries, acquired brain injuries, or chronic pain.

You will work closely with other physicians and healthcare professionals in both inpatient and outpatient settings. The department includes specialized teams focused on brain injury, spinal cord rehabilitation, and pain management with a strong focus on returning to work and daily functioning.

You will also contribute to clinical development, referral assessments, and serve as a mentor for junior doctors.

Why this opportunity?

A highly interdisciplinary environment with physiotherapists, occupational therapists, nurses, psychologists, and social workers

Well-structured routines and openness to new ideas

A mix of inpatient care (12 beds + 2 day slots) and outpatient rehabilitation teams

A collaborative atmosphere where your expertise is valued and supported

A workweek with no on-call duties

Requirements:

Holds an EU-recognized specialist certification in rehabilitation medicine

Minimum 2–3 years of post-specialist experience working independently

Experience with at least one of the following: acquired brain injury, spinal cord injury, or pain rehabilitation

Strong team mindset, ability to take initiative and contribute to interdisciplinary collaboration

Interest in mentoring and supervising junior doctors

Willingness to learn Swedish (language course provided)

Why central Sweden?

This opportunity is based in a peaceful region in central Sweden, surrounded by nature, lakes, and forests, ideal for those seeking a calm and balanced

lifestyle. The area offers excellent public services, short commutes, and year-round access to outdoor activities such as hiking, skiing, and kayaking. The supportive community and high quality of life make it an excellent place to settle long-term.

What we offer:

Ongoing support from a recruiter before, during, and after your employment
Assistance with obtaining Swedish authorization and approvals
Help with accommodation and relocation for you and your family
Access to a free Swedish language course with a private tutor via Teams/
Skype
