

## **Specialist Breast Surgery, Denmark**

You will work in a Danish hospital with stable surroundings, attractive working conditions, possibilities for professional development, a better work-life balance and a future life and career in one of Europe's top welfare states, in Scandinavia.

The Department's focus is on breast tumours, both benign and malicious types, therefore the department is in close cooperation with other sectors. The Department provides opportunity to participate in relevant researches and conferences.

Cooperation and development is highly valued at the department. The department is looking for a candidate who is a good team player and actively contributor to the administrative and quality- related work. The candidate is expected to take part and expand the teaching and learning culture at the section.

### ***You are:***

Specialist in surgical specialty (primarily plastic surgery)

Certificate in breast surgery

Fluent in English

Motivated for living and working abroad

### ***What can you expect?***

Permanent contract

€ 118 000 minimum yearly salary including pension benefits (evening, weekend shifts, and overtime are paid on top)

37 hour working weeks

6 weeks paid holiday

A free personal visit as part of the recruitment process
