

## Specialist Neurorehabilitation

You will work in a Danish hospital with stable surroundings, attractive working conditions, possibilities for professional development, a better work-life balance and a future life and career in one of Europe's top welfare states, in Scandinavia.

The department is in a regional hospital, which treats patients with acquired brain injury (trauma, SAH, apoplexy, anoxic injury, infections, and tumours).

Interdisciplinary teams exist in all the clinics, consisting of specialist doctors, nurses, health care assistants, physiotherapists, occupational therapists, speech and language therapists, dietician, and social workers. The hospital staff consists of specialist doctors within neurology, neurosurgery, neurophysiology, neuro-anaesthesia and intensive medicine, neuro-paediatrics, internal medicine, neuro-endocrinology, neuropsychiatry, and geriatrics.

It is a university clinic with two and a half professorships. Furthermore, there is an education department and a development unit, both cooperating closely with the clinics.

### *What can you expect?*

- Permanent contract regulated by the Danish collective agreement
- Minimum yearly salary: 94.000 Euro (including pension benefits)
- 37 hour working week
- 6 weeks paid holiday
- A free, intensive language course and Danish Medical Language Programme with settlement assistance and free accommodation in Budapest prior to work start
- A short trip to Denmark prior to the language course, where you will have the opportunity to visit your future work place and living area
- Cultural teaching prior to departure
- Language course for your spouse and elderly children
- Partner Integration Program with a personal consultant
- Accommodation assistance in Denmark
- Assistance in administrative processes when moving to Denmark
- Assistance for your spouse in search of employment and integration in Denmark
- Guidance regarding schooling and child care
- Access to our candidate network in Denmark
- Information on Danish tax matters
- Hotline service for urgent questions
- Extra Danish classes after arrival to Denmark
