

## Specialist Obstetrics and Gynaecology

You will work in a Danish hospital with stable surroundings, attractive working conditions, possibilities for professional development, a better work-life balance and a future life and career in one of Europe's top welfare states, in Scandinavia.

The department of gynaecology and obstetrics is a highly specialised department. It offers a large number of examinations and operations. The department receives women for planned and acute gynaecological reasons and maternity/midwife consultations.

Cooperation and development is highly valued at the department. In order to strengthen development, doctors, nurses, secretaries and other employees are offered a great amount of further education. In addition, the department of gynaecology and obstetrics has students within almost all of the specialized professions.
