

## **Specialist Occupational Medicine Physician, Ireland**

*Location:* Cork

*Salary:* €100'000 - €160'000 p/a

Occupational Physicians with LFOM/MFOM & Specialist GPs- Full-Time Opportunities in Cork & Dublin

Occupational Health is a rapidly growing sector in Irish healthcare

We have full-time openings for Specialist Occupational Health Physicians and GPs interested in Occupational Medicine in Cork and Dublin.

If you're already established in Occupational Health – or a GP looking to transition into this speciality – this is your chance to join a forward-thinking clinical team delivering the full range of Occupational Health services with strong peer support.

*What's in it for you:*

Full-time role with excellent terms and conditions

Supportive, multidisciplinary team environment

Opportunities for funded training and on-the-job experience

Meaningful work helping workplaces stay healthy and safe

*Requirements:*

Registration (or eligibility) with the Irish Medical Council

Ideally on the Specialist Register in Occupational Medicine, or completion of BST with MRCPI / MICGP (or equivalent)

LFOM or equivalent qualification welcomed

Strong communication skills and a proactive, patient-centred approach

We welcome doctors who are passionate about workplace well-being and looking to grow their careers in Occupational Medicine.

*To Apply:*
