

Specialist in Ophthalmology, Norway

Are you a skilled and dedicated ophthalmologist looking for exciting opportunities in Norway? We are currently hiring for both permanent positions and temporary assignments.

Permanent positions:

We are seeking experienced ophthalmologists to join healthcare teams in Norway on a permanent basis. Your expertise will be essential in providing top-quality eye care to patients in a healthcare system known for its high standards, patient-centered approach, and excellent work-life balance.

Temporary assignments:

If you are interested in temporary assignments, we offer flexible options. Choose between a 1-month on, 1-month off rotation or a 2-week on, 2-week off rotation. This flexibility allows you to explore new professional challenges while continuing to reside in your home country.

Qualifications:

Medical license and specialist approval from an EU country.
Minimum two years of experience as a specialist in ophthalmology.
Broad knowledge and expertise in the field of eye care.
Strong communication skills and a willingness to learn Norwegian.

We offer:

Professional headhunters dedicated to your success.
Competitive salary.
Professional development opportunities
Free language course done with a private tutor online.
Assistance with relocation, including accommodation, schools, kindergartens, and more.
Flexibility in work schedule for temporary assignments. We cover travel and accommodation for our temporary doctors.
