

## **Specialist Psychiatry, Denmark**

You will work in North Denmark Region with stable surroundings, attractive working conditions, possibilities for professional development, a better work-life balance, and a future life and career in one of Europe's top welfare states, in Scandinavia.

### *Working as a staff specialist:*

As a staff specialist in Denmark, your main priority will be diagnosing and treating your patients, but you will have the opportunity to do so much more!

You will have the possibility to take part in training resident doctors, in various research projects, you will have the opportunity to attend conferences or trainings, and you will receive every support to not only excel on a professional, but on a personal level as well.

Your work will be organised in a family-friendly way.

This is just one benefit of the famous Danish work- life balance. With your 37 hours working weeks, you will have time to spend with your family, or to further develop your skills.

### *Apply now if you are:*

Specialised in Psychiatry

Experienced and interested in general and/or geriatric psychiatry

Experienced and/or interested in illnesses within psychosis and schizophrenia, personality

disorders, anxiety and obsessive-compulsive disorders, PTSD, depression and bipolar disorder, and oligophrenia

Experienced in diagnosing and treating the most common uncomplicated somatic diseases

Experienced or interested in the field of research and quality development in the long run

Motivated to live and work abroad

Proficient in spoken and written English

### *What can you expect:*

Permanent contract

€ 120,000 minimum yearly salary (including pension benefits; duties are paid on top) after you start working as a full-time specialist

37 hour working weeks 6 weeks paid holiday

A free Danish language course after your arrival in Denmark to prepare you for the Danish Test 3 (PD3), while introducing you to the department

Thorough introduction to the department, hospital, language, and culture

Relocation assistance – Your employer will help you arrange moving, housing search, child care

Spouse networking assistance – Your employer will give a helping hand in networking
