

Specialist Radiation Oncology to Denmark

You will work in a Danish hospital with stable surroundings, attractive working conditions with high-technology equipment, possibilities for continuous professional development, a better work-life balance and a future life and career in one of Europe's top welfare states, in Scandinavia.

The department of oncology covers a catchment area of 0,5 million people and works together with a university hospital.

Cooperation and development is highly valued at the department. In order to strengthen development, doctors, nurses, secretaries and other employees are offered a great amount of further education.

You are:

Specialised in Radiotherapy with experience in chemotherapy (or its equivalent as in EU Directive 2005/36/EC)

Fluent in English

Motivated for living and working abroad

Willing to work with chemotherapy

What can you expect?

Permanent contract regulated by the Danish collective agreement

Minimum yearly salary: 94.000 Euro (including pension benefits)

37 hour working week

6 weeks paid holiday

A free, intensive language course and Danish Medical Language Programme with 800 Euros settlement assistance and free accommodation in Budapest prior to work start

70 Euros extra support per child and free childcare for nursery and kindergarten aged children in a professional kindergarten near our facilities during your stay in Budapest

A short trip to Denmark prior to the language course, where you will have the opportunity to visit your future work place and living area

Cultural teaching prior to departure

Language course for your spouse and elder children

Partner Integration Program with a personal consultant

Accommodation assistance in Denmark

Assistance in administrative processes when moving to Denmark

Assistance for your spouse in search of employment and integration in Denmark

Guidance regarding schooling and child care both in Budapest and in Denmark
