

Specialist Vascular Surgery

You will work in a Danish hospital with stable surroundings, attractive working conditions, possibilities for professional development, a better work-life balance and a future life and career in one of Europe's top welfare states, in Scandinavia.

The department of vascular surgery offers the possibility of sub-specializing in various fields, such as carotid surgery, central vascular surgery or fistula surgery. The department provides a great work environment with professional colleagues and further development of your professional skills along with a chance for research in the field.

Cooperation and development is highly valued at the department. In order to strengthen development, doctors, nurses, secretaries and other employees are offered a great amount of further education.

You are:

- Specialised in Vascular Surgery
- Interested in teaching colleagues and future colleagues
- Fluent in English
- Motivated for living and working abroad

What can you expect?

- Permanent contract regulated by the Danish collective agreement
- Minimum yearly salary: **104.000 Euro** (including pension benefits)
- **37 hour** working week
- **6 weeks** paid holiday
- A free, intensive language course and Danish Medical Language Programme with settlement assistance and free accommodation in Budapest prior to work start
- A short trip to Denmark prior to the language course, where you will have the opportunity to visit your future work place and living area
- Cultural teaching prior to departure
- Language course for your spouse and elder children
- Partner Integration Program with a personal consultant
- Accommodation assistance in Denmark
- Assistance in administrative processes when moving to Denmark
- Assistance for your spouse in search of employment and integration in Denmark
- Guidance regarding schooling and child care
- Access to our candidate network in Denmark
- Information on Danish tax matters
- Hotline service for urgent questions
- Extra Danish classes after arrival to Denmark
- Coaching, regular evaluation and assistance in integration process
