

## Staff specialist, child and adolescent psychiatry

**Synonyms:** child and adolescent psychiatrist, child and adolescent psychiatry specialist

### Where?

You will work in a Danish hospital with stable surroundings, attractive working conditions, possibilities for professional development, a better work-life balance and a future life and career in one of Europe's top welfare states, in Scandinavia.

The department of child and adolescent psychiatry is divided between an outpatient clinic, a day clinic and a 24-hour section.

The outpatient clinic is divided into teams: a neuropsychiatric team, an affective team, an eating disorder team and a psychoses team. The teams are interdisciplinary and are managed professionally by a consultant. In addition to the outpatient clinic there is a day clinic and a 24-hour section for adolescents.

It will be possible, for the right candidate, to influence the position in order to accommodate personal interests and competencies.

The consultant shall refer to the heads of department and must work closely together with the outpatient clinic's functional manager and the other doctors at the department.

We will place strong emphasis on a broad education within child and adolescent psychiatry. We are looking for an individual who is interested in the coordination of a versatile treatment effort and who has the will an ability to cooperate.
