

Staff specialist in endocrinology in the city of Thisted

Synonyms: endocrinologist, endocrinology specialist, endocrinologist doctor, medical specialist in endocrinology

Where?

You will work in a Danish hospital with stable surroundings, attractive working conditions, possibilities for professional development, a better work-life balance and a future life and career in one of Europe's top welfare states, in Scandinavia.

In cooperation with the other units, a large outpatient department runs with highly qualified nurses, who manage independent inspections. There are two stationary bed wards, an outpatient clinic with a day unit and a dialysis unit.

The department ensures the staff with the possibility of further education within different areas and makes many efforts to increase the number of positions with educational profile.

You are:

Specialised in Endocrinology with broad clinical experience

Fluent in English

Motivated for living and working abroad

What can you expect?

Permanent contract regulated by the Danish collective agreement

Minimum yearly salary: **94.000 Euro** (including pension benefits)

37 hour working week

6 weeks paid holiday

A free, intensive language course and Danish Medical Language Programme with settlement assistance and free accommodation in Budapest prior to work start

A short trip to Denmark prior to the language course, where you will have the opportunity to visit your future work place and living area

Cultural teaching prior to departure

Language course for your spouse and elderly children

Partner Integration Program with a personal consultant

Accommodation assistance in Denmark

Assistance in administrative processes when moving to Denmark

Assistance for your spouse in search of employment and integration in Denmark

Guidance regarding schooling and child care

Access to our candidate network in Denmark

Information on Danish tax matters

Hotline service for urgent questions

Extra Danish classes after arrival to Denmark

Coaching, regular evaluation and assistance in integration process

Who are we?

Our partnering company is a Danish recruitment agency, working with recruitment of health care professionals to Scandinavia since 2007, and has recruited more than 100 doctors to Denmark. We have been authorized by Danish Hospitals to recruit, qualify and integrate European physicians. We offer intensive language training, good working conditions, high salaries and a family-friendly integration program.
