

Surgeon, Sweden

Have you thought about changing job position but haven't really found that little something extra? Do you long for a good balance between work and leisure and can you imagine working in a small hospital in a fantastic environment?

We are looking for you who are a doctor, specialised in surgery. You will be able to influence your workplace regarding both routines and methods.

You will work together with experienced and qualified doctors and a fantastic team. You will also have a close collaboration with other clinics in the hospital.

Qualifications:

Medical authorisation from an EU country as well as a specialist approval as a surgeon

It's an advantage if you can communicate in one of the Scandinavian languages, if not you need to be able to learn Swedish through our free language school

We offer:

A stimulating workplace with a committed collegium

Modern equipment and generous time allocated for training, courses and auscultation

Favourable conditions and time for recovery and leisure!

Free language school for foreign candidates

Assistance in finding accommodation, kindergarten, schools etc

To Apply:
