

Aesthetics Physician/Doctor, Ireland

There are several openings across the country for great Aesthetics physicians/doctors. These are permanent positions with great salaries and benefits. We have clinics in all of our big cities, as well as their neighbouring towns. With rapid expansion taking place in Ireland, training and career growth is a given in this industry.

An example package would like this:

Working hours – Monday to Friday, 9-6pm.

4/5 days per week

Salaries of €90'000 - 120'000 p/a

Sick Leave

Pension contribution

20 days annual leave + 10 bank holidays

Training and career progression pathways
