

Anaesthesiologist to Denmark

Public hospitals in Denmark are looking for specialist doctors and consultant doctors in anaesthesia and intensive care.

The hospitals are looking for committed specialist doctors who are motivated to work independently and have a special interest in solving all the tasks related to daily operations. You will work both in anaesthesia and in ICU departments, will also be involved in the training of resident doctors and in the further development of the department.

The hospitals offer permanent contracts. Before starting the employment you and your family will benefit from a free intensive language course to learn Danish.

We offer:

Permanent contract

Attractive salary. Duties, if there will be, will be paid apart

Training courses within working hours

Help to find: Apartment, school and kindergarten

Invitation to study tour to Denmark after a first interview, to learn more about the region and the work environment

Assistance with removal and relocation costs

Intensive Danish course, also for the family

Remuneration during the Danish course of €700 monthly net, a supplement for children of €70 monthly net, free apartment and travel costs for the family

Requirements:

Specialist title in anaesthesiology and intensive care recognised in the EU

Availability to complete the intensive Danish course (B2 Level)

EU citizenship
