

## **Anatomic pathologist, Belgium**

### ***Responsibilities:***

A group of Private Clinics is looking for an anatomic pathologist in the South of Belgium.

Remuneration & benefits:

Monthly salary of 6'000€ net

### ***Requirements & expectations:***

Be a citizen of the European Union (or a citizen of a country with which France has signed a worker exchange agreement).

Possess a diploma in general medicine and specialised in anatomical pathology acquired in a university of the European Union (unfortunately we cannot take into account the applications of the interns in medicine).

Speak French at a level that allows at least good communication with patients (B2 level). No language diploma will be required but a mandatory interview will take place

Not to have been subject to serious criminal or professional sanctions

To be motivated to come and settle permanently in Belgium and to practice his/her profession with professional conscience, while respecting the Code of Ethics of the Order des Medicines
