

Cardiologist to South Sweden

The public hospital in South Sweden is looking for double specialists in Internal medicine and Cardiology with at least 3 years of experience as a specialist. Able to do clinical work tests and also ultrasounds of the heart. The doctor should have a team spirit and be professional and humble with patients. There will be duties at the clinic and collaborations with other clinics within the county.

We offer:

- Permanent contract after obtaining the C1 in Swedish, Swedish licence and proven experience. Up to 1 year.
- Training courses within working hours.
- Help to find: apartment, school and kindergarten.
- Invitation for a study tour to Sweden after the first interview, to learn more about the region and the work environment.
- Assistance with removal and relocation costs.
- Intensive Swedish course, also for the family.
- Remuneration during the Swedish language course of 700€ monthly net, a supplement for children of 70€ monthly net, free apartment and travel costs for the family. The C1-course will be organised by the region.

All our services are free of charge for the candidates.

Requirements:

- Specialist titles both in Internal medicine and Cardiology.
- Availability to complete the Swedish intensive course
