

## **Consultant Cardiothoracic Surgeon, Ireland**

**Location:** Dublin

**Salary:** €224437 - €269594 p/a

Are you ready to lead and make a significant impact in Cardiothoracic Surgery? A prestigious hospital in the heart of Dublin is seeking a Consultant Cardiothoracic Surgeon.

### **Why Choose Dublin?**

**Vibrant City Life:** Discover Dublin's unique mix of historical charm and modern energy. From renowned landmarks and museums to lively streets and world-famous pubs, Dublin has something for everyone.

**Natural Beauty:** Enjoy Phoenix Park, one of Europe's largest urban parks, or unwind along the scenic Dublin Bay coastline, both just minutes from the city center.

### **What You'll Need:**

**Experience:** Extensive experience in Cardiothoracic Surgery, with a proven track record in complex surgical procedures and patient care management at a consultant or senior level.

**Certifications:** Valid ACLS (Advanced Cardiovascular Life Support) and BLS (Basic Life Support) certifications; additional advanced surgical training certifications are a plus.

**Qualifications:** Fellowship with the Royal College of Surgeons (FRCS) or equivalent, specialising in Cardiothoracic Surgery. Completion of a recognised consultant training program in Cardiothoracic Surgery is required.

**Medical Registration:** Active registration with the Irish Medical Council (IMC) or eligibility to apply as a Consultant.

**Availability:** Ready to join the Dublin-based team
