

Consultant Dermatologist, Ireland

Location: Sligo

Salary: €226681 - €272289 p/a

Only dermatology specialty training from the UK or Malta is recognised by the Irish Medical Council (IMC) for registration.

We are seeking a dedicated and skilled Consultant Dermatologist to join the team at Sligo University Hospital! This role provides an exceptional opportunity for an experienced dermatologist to practice in a collaborative environment with a strong focus on high-quality patient care.

Requirements:

IMC Registration: Active IMC Specialist Registration in Dermatology or willingness to register and relocate to Sligo.

Experience: Minimum of 2 years of post-specialty training experience in dermatology, with expertise in both medical and cosmetic dermatology.

Responsibilities:

Provide comprehensive dermatological care, including assessment, diagnosis, and treatment.

Lead dermatology clinics and participate in multidisciplinary team consultations.

Mentor junior doctors, fostering development and learning in dermatology.

Benefits:

Competitive salary scale of 226k-272k/annum based on experience.

Opportunities for career advancement and continuous professional development.
