

## **Consultant Doctor MSK Radiology to a leading University Hospital just north of Stockholm, Sweden**

Our partner is one of the leading companies within recruitment of qualified, medical specialist within a range of disciplines. We are working with positions from specialists to senior consultants and leading manager positions. Currently we are looking for consultants for a leading University Hospital just north of Stockholm with an extensive training and execution task. You will be able to work within a well functional team in a modern setting and with excellent working conditions. We are primarily looking for skilled MSK Radiologist but would also welcome you with a special interest in the field but perhaps not so many years of experience.

The clinics is looking for team members with excellent communication skills and the ambition to learn both the Swedish culture but also the language on fluent level. We as a company, will support you in all the practical details regarding relocation for you and your family, administration of your licenses, finding housing and coordinating language courses. As a doctor in Sweden, you will enjoy the possibility of combining a rich spare time with clinical and professional development – and enjoy good material standards.

We are looking forward to your unconditional application and you'll of course be anonymous until you agree on otherwise!

Please send your CV mentioning reference code DM-30
