

Consultant Endocrinologist, Ireland

Location: Galway

Salary: €226681 - €272289 p/a

We are seeking a dedicated Consultant in Endocrinology. With cutting-edge facilities, this hospital provides a supportive environment for consultants to offer exceptional care in endocrinology, utilising the latest diagnostic and treatment technologies.

Responsibilities:

Comprehensive Patient Care: Evaluate, diagnose, and manage patients with a range of endocrine disorders, including diabetes, thyroid diseases, adrenal disorders, osteoporosis, and pituitary conditions.

Personalised Treatment Plans: Develop tailored treatment plans that address individual patient needs and ensure optimal management of chronic and acute endocrine conditions.

Collaborative Care: Work closely with a multidisciplinary team, including nutritionists, diabetes educators, surgeons, and other specialists, to provide a holistic approach to patient care.

Leadership and Mentorship: Lead and mentor junior doctors, nurses, and healthcare staff, promoting a collaborative and educational environment.

Clinical Research and Continuous Improvement: Engage in research and evidence-based practice to advance endocrine treatments and protocols, contributing to improved patient outcomes and best practices in the field.

Patient Education: Educate patients on lifestyle, dietary changes, and other self-management strategies, empowering them to actively manage their conditions.

Key Requirements:

Experience: Minimum of 2+ years at the consultant level in Endocrinology, with extensive expertise in diagnosing and treating a variety of endocrine disorders.

Registration: Active Irish Medical Council (IMC) Registration is preferred, or you should be in the process of obtaining it.

Communication Skills: Excellent English language skills, with the ability to clearly and empathetically communicate complex information to patients and families.

Team Collaboration: Proven ability to work within a multidisciplinary team to ensure coordinated, patient-centred care.

Relocation: Willingness to relocate to Galway, Ireland, for the January 2025 changeover.
