

## **Consultant Histopathologist, Ireland**

A fantastic opportunity has arisen for a Consultant Histopathologist in Dublin, one of Europe's most cultural and historic cities.

Dublin exudes modernity whilst retaining its rich history and diversity, offering a plethora of activities and sights to explore, from Trinity College to the array of museums and art galleries, to the stunning scenery of Howth Harbour and the Wicklow mountains. The city's diverse restaurants, theatres, and live entertainment venues such as Croke Park, the 3 arena, and the Aviva Stadium create a sensational atmosphere of things to be done.

The Consultant Histopathologist position is for 37 hours with a salary range of €217,324-€261,051 p/a based on previous experience, as well as continuous medical training leave with vouched for expenses of up to €12,000 a year and innovation support of €8000 annually. The position is split between a national screening unit and leading teaching hospital.
