

Consultant Medical Oncologist, Ireland

Location: Limerick

Salary: €226681 - €272289 p/a

We are seeking a dedicated and experienced Consultant in Medical Oncology to join a leading healthcare facility in Ireland. This is an exciting opportunity for a skilled oncologist to bring their expertise to a new setting, providing outstanding patient care and contributing to improved oncology outcomes.

Key Requirements:

Experience: Minimum of 2+ years in Medical Oncology at the consultant level, with a comprehensive understanding of oncology treatments, protocols, and patient management.

Registration: Ideally, you hold Full Irish Medical Council (IMC) Registration, or you are actively in the process of obtaining it.

Communication Skills: Proficiency in English with the ability to communicate effectively with patients and colleagues.

Team Collaboration: A commitment to working within a multidisciplinary team, contributing to holistic and patient-centred care.
