

Consultant Obstetrician & Gynaecologist, Ireland

Location: Letterkenny, Donegal

Salary: €266681 - €272290 p/a

Are you looking forward to the festive season, or is your current role bringing you down? If I asked you “when are you open to start a new job?”, and your answer is “ASAP”, keep reading...

We are helping the team at Letterkenny University Hospital to find their next star Obstetrics and Gynaecology Consultant!

Considering applying but wondering what the position entails?

As a Consultant in Obstetrics and Gynaecology at Letterkenny University Hospital, you will provide expert care in all aspects of general OBGYN, including antenatal, intrapartum, and postnatal management, as well as the diagnosis and treatment of gynaecological conditions. Your role will involve performing routine and emergency procedures, supervising junior staff, and contributing to multidisciplinary care. With a focus on delivering patient-centred services, you'll also help develop clinical protocols and support the hospital's commitment to excellence in women's health!

Need To Knows Before You Apply:

37hr/ week Public Contract

Salary Scale: EUR 226'681- 272'290 p/a

30 Days Annual Leave and 10 Bank Holidays/ annum

Start Date- Immediately or As Soon As Possible!

Must be Open to Relocate to Letterkenny, Donegal in Ireland

Active Specialist IMC registration (or registration in final stages) required

A minimum of 2+ years of experience as an OBGYN Consultant
