

Consultant Ophthalmologist, Ireland

Location: Dublin

Salary: €224'437 - €250'000 p/a

Our client is seeking an experienced Consultant Ophthalmologist to join our dynamic and rapidly expanding team in Dublin. This is a rare opportunity to be part of a forward-thinking organisation that is redefining eye care in Ireland through an innovative, collaborative model between ophthalmology and community optometry. Our client is entering an exciting phase of growth, focused on delivering seamless shared-care pathways that enhance access, efficiency, and outcomes for patients.

Why join the team?

A Proud Legacy of Care

Established in 1982 as a family-run practice, our client has built a strong reputation for patient-centred care, clinical excellence, and community engagement.

A Truly Collaborative Culture

We believe the future of ophthalmology lies in partnership. Our consultants work closely with community optometrists and ophthalmology colleagues nationwide to ensure patients receive the right care, at the right time, from the right specialist.

Commitment to Quality

As a Joint Commission International (JCI) accredited practice, we adhere to the highest international standards of patient safety and clinical quality.

Exciting Clinical Expansion

Join us during a period of significant growth as we expand services across multiple ophthalmic subspecialties.

Competitive Remuneration

We offer an attractive salary and benefits package, benchmarked against leading Irish and international standards.

The Role:

We are seeking talented and motivated Consultant Ophthalmologists with interests in one or more of the following areas:

General Ophthalmology

Medical Retina

Glaucoma

Cataract

Paediatric Ophthalmology

Ocular Surface & Anterior Segment

The successful candidate will be a highly trained, compassionate clinician with a strong commitment to excellent patient care. You will be comfortable managing patients across varying levels of complexity and enthusiastic about working within a shared-care model. Prior experience in collaborative care environments is advantageous.

What's on Offer?

A physician-led, patient-focused organisation with strong ethical values

A supportive and collegial working environment

The opportunity to play a key role in a pioneering, integrated eye care model
Involvement in a rapidly growing practice at the forefront of ophthalmology in Ireland
A highly competitive remuneration package
€250,000 per annum
