

Consultant Radiation Oncologist, Ireland

Location: Cork, Ireland

Salary: €222000 - €267000 p/a

Are you looking for a new challenge? Join our leading healthcare institution in Cork, known for cutting-edge cancer treatment and compassionate patient care. Our oncology department is equipped with the latest technology and staffed by a dedicated team of professionals. We are seeking a skilled Consultant Radiation Oncologist to provide expert radiation therapy treatments, participate in clinical research, and collaborate with our multidisciplinary team.

Key Responsibilities:

- Provide expert consultation and individualised radiation therapy treatment plans.
- Oversee and guide the delivery of advanced radiation treatments.
- Collaborate with oncologists and healthcare professionals on comprehensive treatment plans.
- Participate in clinical trials and research initiatives.
- Mentor and train junior doctors and medical staff.
- Ensure patient safety and high-quality treatment standards.

Qualifications:

- Medical degree and specialist registration with the Irish Medical Council.
- Specialist training in radiation oncology.
- Experience in advanced radiation therapy techniques.
- Commitment to patient-centred care and evidence-based practice.
- Excellent communication and teamwork skills.
